

Call for Papers

1st Commercial Vehicle Technology Symposium Kaiserslautern

from 16 to 18 March 2010
at the University of Kaiserslautern

The Program Committee is calling upon all professionals from industry and academia to actively participate in the conference and to submit paper proposals for the topic areas listed.

Submission of Proposals

A short version of your contribution (one DIN A4 page) to one of the main topics of the conference should be available by 30 September 2009. For submission of your short version, please be absolutely sure to use the Word template, which will be available for download from the symposium website starting in July 2009:

www.cvt2010.de

Contents

- Assignment to main topic
- Meaningful title
- Brief description (incl. keywords)
- Data (name, address, company, position) of submitting author
- Information about paper language

Language

English or German

Paper Presentation

The Program Committee will decide about the acceptance and assignment of the submitted papers. These will then be presented in 20-minute presentations either in German or in English.

The authors of the accepted papers commit themselves to submitting a camera-ready copy for the conference proceedings: approx. 10 DIN A4 pages in German or English with an abstract in English.

Topics that were not considered can be presented in a poster exhibition.

Dates

- Submission of short version: 30 September 2009
- Notification of authors: 31 October 2009
- Submission of camera-ready copies: 10 January 2010

Costs

Paper presenters and poster exhibitors (one person each) may take part in the conference free of charge. Travel and accommodation expenses cannot be reimbursed.
